

# Basic Shotgun Course

The Basic Shotgun Course provides the fundamentals of selection and using a shotgun to fit your needs, whether for sport or home defense.

The course will discuss the following topics:

- Firearm safety rules and guidelines
- Shotgun nomenclature and operation
- Types of shotguns and their usage
- Shotgun handling and manipulation
- Loading and unloading procedures
- Shooting techniques, including stance, sight alignment, and trigger control
- Range safety protocols and procedures
- Laws and regulations regarding the possession and use of firearms.
- How to properly store and secure the firearms.
- Emergency procedures in case of an accidental discharge.
