## High School Senior College Safety Seminar

The seminar provides recently graduated high school seniors, destined for college, a foundation of personal safety and situational awareness, to be used as they transition to the college environment. The seminar will provide students a myriad of personal safety considerations, techniques, and tools to be applied while attending college, and in daily life.

The seminar covers the following topics:

- Psychology of Criminals
- Mental Preparedness
- Physical Security
- Home / Dorm Security
- Drug and Alcohol Awareness/Dangers
- Automotive Security
- Domestic Violence / Stalking
- Travel Security
- Information Technology Security
- Personal Protection Devices
- Classroom / Workplace Security
- University Police Resources
- **AND MUCH MORE!!!!**
