

One of the most important steps toward ensuring your own safety is having a personal safety strategy in place before you need it.

The Refuse To Be A Victim® program teaches the tips and techniques you need to be alerted to dangerous situations and to avoid criminal confrontation.

Seminars are held across the nation and are open to individuals of all ages. Today, thousands of federal, state and local law enforcement officials and civilians from across the nation utilize this popular program in their crime prevention and community policing initiatives to help protect their communities.

Contact TRAEX Tactical Solutions and make a reservation to attend or host a seminar for your family, friends, business colleagues, and neighbors.
